Revision of the 4C Code of Conduct: Public Consultation Continues

4C to Conduct Webinars on the Main System Changes

Online 4C Training Schedule 2020: Registration Now Open

Career: 4C Integrity Auditors in Asia (Vietnam) and Latin America (Brazil)

Revision of the 4C Code of Conduct: Public Consultation Continues

4C is holding a public consultation on the revised version of the 4C Code of Conduct. This step aims at making the system more robust and fostering a continuous improvement process on farm level.

We welcome everyone to participate in the final stage of the stakeholder consultation process and **leave your helpful feedback**. To contribute to the 4C Code of Conduct revision, please click the button below. The draft version is now available in English, Spanish and Portuguese.

The public consultation will be open **until 28 June 2020**.

4C to Conduct Webinars on the Main System Changes

Once the revision process of the vital 4C System documents, including the 4C System Regulations and the 4C Code of Conduct, is over, **4C will conduct a series of introductory webinars to facilitate the understanding of the main changes** in the 4C System. We encourage every 4C System user to use this opportunity to get acquainted with the new requirements and ask clarification questions. **Participation is free of charge, but registration is required.** To register, please click [here](#).

Career: 4C Integrity Auditors in Asia (Vietnam) and Latin America (Brazil)

4C is looking for **highly motivated locally based auditors** to conduct integrity assessments in the framework of the **4C Integrity Program**. The key activities include planning, organization, and coordination of 4C integrity assessments with a focus on traceability, social, and environmental issues, as well as compilation of integrity reports, and contribution to the continuous development of the 4C System and the 4C Integrity Program. **Professional experience in certification and high proficiency in English and the language corresponding to the focus area (Vietnamese or Portuguese)** are crucial for the candidate's profile. Interested? You will find further details on the openings [here](#).
