4C Supply Chain Traceability and Certification
Process for Chain of Custody

4C Online Training

4C IS A GLOBALLY LEADING COFFEE CERTIFICATION SCHEME that applies strict requirements for economic, social and environmental conditions for coffee production and processing to establish sustainable, trustworthy and fair coffee supply chains.

This training offers a crucial update on the latest revision of the 4C Code of Conduct and guides its participants through the certification process, ensuring better understanding and implementation of the new audit requirements and procedures. It also covers an increasingly important chain of custody certification, and much more.

Benefits at a glance

Get familiar with the **4C Certification System**

Learn how to successfully implement **sustainability requirements**

- Companies -

Master the application of **audit requirements and procedures**

- Auditors -

Boost your proficiency in **assessing deforestation and biodiversity risks**
