4C Carbon Footprint & Gender Equality Add-On Trainings

In May, we are hosting trainings for two of our 4C Add-Ons – the **4C Gender Equality Add-On** and the **4C Carbon Footprint Add-On**.

We are especially happy to announce that we will be offering a **live on-site training in Vietnam** for the **4C Carbon Footprint Add-On**! Register now and meet us in person!

The 4C Add-Ons offers solutions for **addressing and continuously improving specific challenges in coffee supply chains**. They are **voluntary additional certifications** applied on top of the 4C core certification.

For Certification Bodies who wish to conduct audits for the Add-Ons, participation is mandatory, but we highly recommend the trainings for all 4C System Users.

4C Certification Bodies Feedback Meeting

We would like to invite all the **Certification Bodies working with 4C** to join the **first 4C Certification Bodies Feedback Meeting of 2023**.

The meeting will take place virtually, in English, on **30 May 2023 from 13:00 – 15:00 CEST. Please save the date in your calendar!**

The CB Feedback Meeting is an **important tool to continuously improve the 4C system** by engaging in discussion with the people who implement the audits on the ground. This meeting is an **opportunity for sharing thoughts and experiences** with 4C while learning about **newest developments** and **clarifying concerns**.
