

ANNEX I

Self-Assessment for EUDR legality compliance

This Self-Assessment shall be conducted to the best of your knowledge and belief. It is meant to help identify risks of violations to relevant national and international laws. This Self-Assessment is not subject to external verification but to support the Managing Entity (ME) to demonstrate compliance with the requirements of the EUDR towards Article 2(40) and Article 3; 'Relevant commodities and relevant products shall not be placed or made available on the market or exported, (b) unless they have been produced in accordance with the relevant legislation of the country of production.'

Article 2(40), Definitions:

'Relevant legislation of the country of production' means the laws applicable in the country of production concerning the legal status of the area of production in terms of land use rights, environmental protection, forest-related rules, including forest management and biodiversity conservation, where directly related to wood harvesting, third parties' rights, labour rights, human rights protected under international law, the principle of free, prior and informed consent (FPIC), including as set out in the UN Declaration on the Rights of Indigenous Peoples and tax, anti-corruption, trade and customs regulations.'

NOTE: The column 'Reference to 4C Audit checklist v.4.1' refers to the respective content in the 4C Audit checklist v.4.1, where further information is available in the verification guidance.
